

1.7 Use of mobile phones, cameras and technological devices policy

April 2017

* Throughout this policy the term non-staff may include children, parents, visitors and contractors.

1. Use of personal technological devices by staff and volunteers

The Cygnets Milton Pre-School recognises that staff, students and volunteers may wish to have their personal mobile phones at work for use in case of emergency. It is acknowledged that staff may also have other technological devices in their possession or within their personal belongings.

However, safeguarding of children within the setting is paramount and it is recognised that personal mobile phones and technological devices have the potential to be used inappropriately or distract from the safe supervision of the children. The setting management has implemented the following policy:

- ! Personal mobile phones and technological devices should only be used outside of working hours and never whilst children are present.
- ! Personal mobile phones and technological devices should be stored in the disabled toilet or office.
- ! In very unusual circumstances, such as a family emergency, staff and volunteers should seek permission from the manager or employer to use their mobile phone or technological device.
- ! If a staff member, student or volunteer must use their mobile phone (see above) this should be away from the children and ensuring that staff supervision levels are not compromised.
- ! Staff, students or volunteers who ignore this policy and use a mobile phone on the setting premises without permission may face disciplinary action.

- ! The setting's main telephone number can be used for emergencies by staff or volunteers or by people who need to contact them.
- ! In circumstances such as outings and off site visits, staff will agree with their manager the appropriate use of personal mobile phones in the event of an emergency.
- ! Where there is a suspicion that the material on a mobile phone or technological device may be unsuitable and may constitute evidence relating to a criminal offence, the 'Allegations of Abuse' process will be followed (please refer to the setting's 'Child Protection Policy').
- ! Staff, students or volunteers remain responsible for their own property and will bear the responsibility of any losses.

The Cygnets Milton Pre-School recognises that visitors may wish to have their personal mobile phones and technological devices with them.

3. Use of the setting's mobile phone, camera and technological devices

The Cygnets Milton Pre-School provides a mobile phone and camera for staff, students and volunteers to use to support their work with children. To ensure the appropriate use of this equipment, and to safeguard children, the following policy applies:

- ! The setting's mobile phone must only be used for work related matters.

In circumstances where there is a suspicion that the material on the setting's mobile phone or technological devices may be unsuitable and provide evidence relating to a criminal offence, the 'Allegations of Abuse' process will be followed (please refer to the setting's 'Safeguarding and Child Protection Policy').
